

# **NSCAA Recognizes 39 Indiana Players**

The NSCAA (National Soccer Coach's Association of America) announces the winners of annual awards, including All-America and all-region teams. Hoosierfutbol.com proudly recognizes the thirty-nine Indiana high school and college-age players who are NSCAA award recipients for 2006. Many of these players will be formally recognized at the NSCAA Conference in Indianapolis, Indiana in January.

Based in Mission, Kan., the NSCAA is the largest coaches' organization in the United States. Since its founding in 1941, it has grown to include more than 18,000 members who coach both genders at all levels of the sport. In addition to a national rankings program for colleges and high schools, NSCAA offers an extensive recognition program that presents nearly 10,000 individual awards every year. It fulfills its mission of coaching education through a nationwide program of clinics and week-long courses, teaching more than 3,000 soccer coaches each year.
